Living Under The Umbrella
of Joy

"Behold!

All things are become new."

II Corinthians 5:17

Guest Speaker

Mary Southerland

Mary Southerland is a powerful communicator that God is using in a mighty way. Women identify with her because she has survived the road of depression, infertility, adoption, full-time ministry and the daily stress of life. Through God's power, Mary has emerged with joy, strength and victory. Her heart's desire is to encourage women by helping:

- Create a culture of joy to face storms with strength
- Turn past failures into future success
- Handle difficult people with compassion
- Motivate women to serve in helping others

Mary is also one of the co-founders of Girlfriends in God (GIG), a nondenominational ministry with daily online devotionals. Her books include *Hope in the Midst of Depression*, *Sandpaper People*, *Escaping the Stress Trap* and *Experiencing God's Power in Your Ministry*.

Mary relishes her ministry as a wife, mother of two and grandmother of three.
